Guitar Classroom Mini Masterclass Series

Back to Guitar!

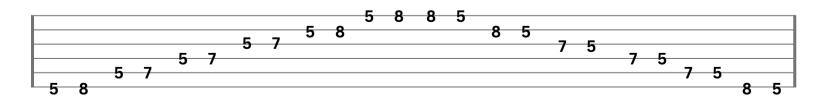

With guitar lessons just around the corner, I thought it would be great to do a warm up on our most common chords and scales. Go through these a few times before your first lesson back if you can!

Review our most commonly used chords below, focusing on these points:

- Memorizing each chord.
- Getting clear notes.
- Getting your fingers placed quickly.

Review the 'Main Position' Pentatonic Scale below:
